### The Leader of the Pack!

WOLFFKRAN is an internationally active European manufacturer, lessor and service provider of tower cranes. As a technology and quality leader, we develop the optimum solution for every customer and every construction site. We achieve this with dedicated employees who work on continuous innovation and strategic expansion.

If you want to be part of this dynamic environment, act on your own responsibility and continuously develop yourself, then become a member of the WOLFFKRAN Family.

A Workshop Fitter will be required to rectify faults, service and carry out repairs on a wide range of our own tower crane fleet according to PPM requirements. This includes but is not limited to the replacement of gear boxes, setting of brakes, replacement of bearings and wire ropes.
