

CAD Draftsman (Tower Cranes) (m/f/d)

Research & Development

Full-time

Dubai (UAE)

Leader of the Pack!

WOLFFKRAN is an internationally active European manufacturer, lessor and service provider of tower cranes. As a technology and quality leader, we develop the optimum solution for every customer and every construction site. We achieve this with dedicated employees who work on continuous innovation and strategic expansion.

As a **Draftsman**(Tower Cranes), you support our technical team by preparing and managing precise crane drawings – from installation plans to layout updates – ensuring fast and accurate responses to project changes.

If you want to be part of this dynamic environment, act on your own responsibility and continuously develop yourself, then become a member of the WOLFFKRAN Group.

What tasks await you?

- Prepare accurate 2D and 3D drawings for tower crane layouts, components, and assembly plans using AutoCAD and Navisworks
- Revise and update existing technical drawings based on client requests and project changes in close collaboration with the technical lead
- Support engineers by delivering clear technical documentation for crane positioning, load calculations, and site planning
- Maintain a well-organized archive of drawing versions, BOMs, and project documentation
- Work closely with the technical and site teams to understand project needs and meet tight deadlines
- Ensure compliance with UAE/Saudi regulations and international standards (e.g. EN 14439), while incorporating safety and structural requirements

What is your job profile?

- Technical diploma or degree in mechanical or civil engineering, or relevant drafting education
- Minimum 2 years of experience in construction, crane design, or heavy machinery projects
- Strong skills in AutoCAD (2D/3D); experience with Navisworks and BOM creation preferred
- Accurate and detail-oriented working style, with the ability to adapt quickly to frequent change requests
- Fluent in English (written and spoken); Arabic is a plus
- Willing to join immediately; position based in Dubai (Barsha Heights)
